**DOCKET NO. 2007-14-C** - Petition of US LEC of South Carolina, Incorporated d/b/a PAETEC Business Services (US LEC) for Expedited Review of Central Code Denial by the Number Pooling Administrator in the Spartanburg Rate Center

Mr. Terreni:

The Office of Regulatory Staff (ORS) has reviewed the above referenced Petition as well as the supporting documentation and finds that the public interest will be served by granting US LEC's Petition. Our examination revealed that the North American Numbering Plan Administration's denial of US LEC's request for additional numbering resources will impair the ability of US LEC to provide services sought by a South Carolina consumer. After consideration of the supporting information and the customer impact, ORS does not oppose the relief sought by US LEC through its Petition.

Sincerely,

  
James M. McDaniel  
Program Manager  
Telecommunications Area  
Office of Regulatory Staff
